

Dale Reese

15 Things you may not know about me:

1. I hate vegetables. The only vegetable I might be coerced into eating is a green bean.
2. If you scare me with a snake, you won't live to tell about it.
3. I have fronted a band for over 35 years. I have played for and/or opened for some major stars.
4. I rode a Brama bull at a rodeo when I was 18 years old. Even though I won the competition, I'll never do that again!
5. I have owned horses for over 45 years. I have tons of stories I could share on this subject alone. One of my favorites is a mare that I would share cookies with and she could drink soda pop right out of the bottle. If you ever run into Larry Tune ask him to share a couple of good horse stories.
6. Politically I am an Independent. I have lots of opinions and if you want to know what they are, just ask me. My daughter says I am not allowed to talk about it on Facebook anymore.
7. I drove race cars for 8 years, accumulating a house full of trophies and won a championship.
8. I used to be a hellion on the ski slopes until I broke my neck. Now I ski like an old man...oops I am an old man.
9. I have 5 kids and the 10 most incredible, special grandchildren in the world. My favorite is whichever one I am with at any given moment. I have 5 brothers and sisters, 24 aunts and uncles, and too many cousins to count.
10. I have bit off a man's nipple during a fight when I was 23. But to my credit, he had me in a headlock and was going to beat me to death after I wrestled a gun away from him that he was going to shoot me with. And he did turn me loose after I bit him.
11. I have never smoked a cigarette or drank a cup of coffee.
12. I like to set trends instead of following them. Just look at the way I dress. Lots of people wear cowboy boots with their shorts nowadays.
13. I worked as an engineer for 37 years for a gas pipe line company. I have also owned 2 restaurants, 2 bars, a car lot, and a mowing company. Then I retired and opened a tour bus company, and a pawn shop. I am also having the time of my life working with my fabulous daughter, [Crysti](#), in a direct sales company.

14. One thing on my bucket list is to ride on a train.

15. The only person in the world that knows all of these things plus every other thing that I can't tell you is my gorgeous wife, [Miri Reese](#), who is also my best friend. I'm sure she will write a best selling book after I die.
